

## **REHEARSAL ROOM OFFER FOR YOUR PROJECTS**

*Are you looking for a space to rehearse your project? Do you need to set up the scene and rehearse every day without having to tear it down?*

**Studio ALTA in Holešovice has expanded into new premises.**

**Newly offered are a rehearsal room in three halls and an informal café for different kinds of projects:**

### **HALL 30**

- Rehearsal room/stage with a playing area of 12 x 10 m
- Wooden floor covered with baletizol
- Ideal for dance, theatre and music ensembles with the possibility to perform rehearsed performances here.
- Equipped with lighting and sound equipment.

**HALL 23**

- Rehearsal room with an area of 12 x 10 m
- Concrete floor with the possibility of miralon or baletizol.
- Day light (with the possibility of blackout, if required)
- Possibility of rehearsing with complicated set design; there is space for storage or you can leave it in the space itself.
- Rehearsing time is not limited by other longterm rentals – there is the possibility to create a “substitute home” for ensembles in specified times.

**HALL 31**

- Rehearsal room with an area of 8 x 10 m
- Wooden floor covered with baletizol
- Day light
- Ideal for dance courses, activities for children, regular dance or other activities, physical research, seminars, workshops, etc.

## CAFÉ

- Unconventional and informal space for projects of different kinds.
- Networking, seminars, work meetings, film screenings, exhibitions, concerts and others.
- Bar available daily 10:00 – 22:00 (during weekends according to the programme)

For all halls we offer:

- Informal atmosphere
- Individual approach
- Prices to be discussed
